Team Building Event

The Alumni Association had a wonderful team building event that was perfectly executed on 1st June 2022 at Fred's Ranch, Kisaju. The lifetime event was facilitated by one of our own, Mentor Austin Omany, who also is the Kitengela Chapter Management Chairman. More than 35 members across alumni chapters participated.

The event was marked with the participants engaging in games and challenges. These were carried out in 4 teams competing amongst each other. These activities carefully scripted to teach the participants of the challenges, ethics and scenarios in corporate level and how to solve them.

Alumni Relations Director, Susan Aduwo, Kitengela Campus Manager, Dr Fred Sporta, Hon Senator Judith Pareno and Uncle Fred Obachi Machoka (Proprietor of Fred's Ranch), graced the event.
